### No Difference.

Physical troubles of a like nature coming from different causes are often a puzzle to those who suffer pain as to their treatment , as in the case of lumbago from cold or a strain in some way to the same muscles. The treatment of such need not differ one with the other. Both are bad enough, and should have prompt attention, as nothing disables so much as lame back. The use of St. Jacobs Oil will settle the question. Its efficacy is so sure in either case there is no difference in the treatment and no doubt of the cure.

"Did you ever pray to God for aid and success?" asked Dr. Cramer.

"Often, mentally, but briefly," he answered. "I asked for strength and wisdom to carry to a successful termination my task. Like my mother, I never talk much about religion, but I think much. It is the all-important subject."

Grant, while President, spoke one day to his brother-in-law of the tremendous responsibility of the office. "I often," said he, "during the session of Congress, after a day of hard work and an evening spent in meeting social claims, sit up till it is far beyond midnight to study the various questions submitted

A specimen of German architectural and business solidity is afforded by the fact that in Nuremburg there are houses still in good order which were erected in 1080, and that in the same town a firm has been engaged in manufacturing harmonicas since 1500, sixty years before the settlement of New England.
